Press Release

AccuNet launches the People Ready CRO Website

AccuNet showcases its People Ready | Business Ready CRO Accounting & Study Management Solution Online.

Westerville, OH, March 30, 2009: AccuNet announces the launch of its PeopleReadyCRO.com website to showcase the CRO Accounting and Study Management solution built on Microsoft Dynamics technologies. The website focuses on AccuNet's commitment to the CRO industry by providing a role tailored look at how an integrated and automated accounting and study management system can help empower the individual and the company.

Online users can drill down into their specific role to see how the solution will work for them. The roles include:

- Sponsor
- CEO
- CFO
- Billing Manager
- Study Manager
- Site Manager

Users can also contact AccuNet directly via the Contact Us page or sign-up for any of our CRO Financial Management Webinar Series. Users also have the option to request a 5 Point People Ready | Business Ready Assessment to examine the five critical business areas within a CRO that affect business success.

The website was designed and built by Complete Website Solutions a division of Closerlooksearch.com. Complete Website Solutions is focused on designing, building and maintaining web sites and helping select clients leverage website technologies to increase the effectiveness of their sales and marketing efforts.
